Disclaimer for Investment Recommendations

Market Abuse Regulation (MAR) – Investment Recommendations (IR) Framework Disclaimer

Origin of the publication of investment recommendation

This publication originates from the Fixed Income Sales and Trading Department or Equity Sales and Trading Department of SMBC Bank International plc, authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority (Financial Services Register number 223304) and Prudential Regulation Authority (“SMBC”), and not by SMBC’s Research Department. This is a desk view and does not constitute investment advice.

Content of the publication

This recommendation has been prepared solely by SMBC.

Investment opinions, ratings, recommendations and target prices are based on one or more methods of valuation, for instance, cash flow analysis, use of multiples, behavioural technical analyses of underlying market movements in combination with considerations of the market situation and the time horizon. Key assumptions of forecasts, ratings, recommendations, target prices and projections in research cited or reproduced appear in the research material from the named sources. The date of publication appears from the material cited or reproduced. To the extent not set out in the research material, please contact your SMBC representative for (i) the basis of valuations or methodologies, and/or (ii) the underlying key assumptions used. Opinions and estimates may be updated in subsequent versions of the publication, provided that the relevant company/issuer is treated anew in such later versions of the publication or report. Unless otherwise indicated or notified, SMBC makes no commitment as to the planned frequency with respect to updating investment recommendations.

Validity of the publication

All opinions and estimates in this recommendation are, regardless of source, given in good faith, and may only be valid at the stated date and time of this recommendation and are subject to change without notice. This recommendation has not been disclosed to the relevant company/issuer directly or indirectly.

No individual investment or tax advice

The recommendation is intended only to provide general and preliminary information to investors and shall not be construed as the basis for any investment decision or strategy. This recommendation has been prepared by SMBC as general information for private use of the investor to whom the recommendation has been distributed, but it is not intended as a personal recommendation of particular financial instruments or strategies and accordingly it does not provide individually tailored investment advice, and does not take into account the individual investor's particular financial situation, existing holdings or liabilities, investment knowledge and experience, investment objective and horizon or risk profile and preferences. The investor must particularly ensure the suitability of an investment as regards its financial and fiscal situation and investment objectives. The investor bears the risk of losses in connection with an investment.

Before acting on any information in this publication, it is recommendable to consult one's financial adviser.

The information contained in the recommendation does not constitute advice on the tax consequences of making any particular investment decision or strategy. Each investor shall make its own appraisal of the tax and other financial merits of its investment.

The issue of this publication shall not be regarded as creating any form of adviser-client relationship, and SMBC may only be regarded by you as acting on your behalf as financial adviser or otherwise following the execution of an engagement letter (or similar documentation) on mutually satisfactory terms.

Sources

This recommendation may be based on or contain information, such as opinions, recommendations, estimates, price targets and valuations which come from SMBC's analysts or representatives, publicly available information or other named sources.

To the extent this publication or recommendation is based on or contain information deriving from other sources (“**Other Sources**”) than SMBC (“**External Information**”), SMBC has deemed the Other Sources to be reliable, but SMBC does not guarantee the accuracy, adequacy or completeness of the External Information.

The perception of opinions or recommendations such as Buy or Sell, or similar expressions may vary, and the definition is shown on the website of each named source.

Limitation of liability

SMBC does not assume any liability as regards to any investment, divestment or retention decision taken by the investor on the basis of this recommendation. In no event will SMBC be liable for direct, indirect or incidental, special or consequential damages resulting from the information in this publication or report.

Risk information

The risk of investing in certain financial instruments, including those mentioned in this document, is generally high, as their market value is exposed to a lot of different factors such as the operational and financial conditions of the relevant company, growth prospects, change in interest rates, the economic and political environment, foreign exchange rates, shifts in market sentiments. Where an investment or security is denominated in a different currency to the investor’s currency of reference, changes in rates of exchange may have an adverse effect on the value, price or income of or from that investment to the investor. Past performance is not a guide to future performance. Estimates of future performance are based on assumptions that may not be realised. When investing in financial instruments, the investor may lose all or part of the investments.

Conflicts of interest

SMBC and its affiliates and/or their connected companies may perform services for, solicit business from, hold long or short positions in, or otherwise be interested in the investments (including derivatives) of any company mentioned in the publication.

SMBC, in accordance with applicable regulation, is required to maintain and operate effective organisational and administrative arrangements with a view to taking all reasonable steps to identify, prevent, monitor and manage conflicts of interest, including managing conflicts of interest which may arise in the production of investment recommendations.
