ZAR	15:00pm 1 Day before value	15:00pm 1 Day before value

Internal Book Transfers: Please note, cut off time for Internal Book Transfers within the same SMBC Group offices in EMEA (where Debit and Credit currencies are the same) is 16:30pm local time regardless of the currency.

SEPA Transfers: Please note that "SEPA" is a "Non-Urgent" payment type, and the Value Date you have selected may not be always met. If the payment is urgent, please consider sending the payment order by the "SWIFT" type.

UK BACS Transfer Cut Off Time:
UK BACS Transfer cut off time is 3:00pm on 2 working days before value date.
Note: Please double-check your BACS Monthly Limit when creating BACS payments. Over-limit envelopes can cause delays and incur additional charges. If you are not aware of your monthly limit or have any other questions, please contact the Bank.

SEPA Direct Debit Cut Off Times

Transaction Type	SDD Scheme Type	Cut Off Time (London - Local Time)
Collections	CORE	08:30am 1 Day before value
	B2B	08:30am 1 Day before value
Cancellations	CORE	17:30pm 1 Day before value
	B2B	17:30pm 1 Day before value
Reversals	CORE	17:30pm 1 Day before value
	B2B	17:30pm 1 Day before value

Service Type	Description	Channel / Format		✔
Funds Transfer - Tracking	SWIFT g4C Pay & Trace	HOST TO HOST For each of the payments with a unique UETR, MT199 or pain.002 messages are sent by the Bank upon receiving status updates from the SWIFT gpi Tracker	MT199	
			pain.002	
	By requesting the Bank to provide Funds Transfer Tracking via the SWIFT g4C Pay & Trace Service, the Participating User confirms that: • It will generate a unique UETR in Field 121 of the MT101 Request for Payment messages, or in the pain.001 v.3 messages sent to the Bank. • It agrees that the Payment Tracking information is provided by third party banks and that accordingly details such as 'charges' may not always be made available. • It acknowledges and agrees that SMBC Group is not responsible for and shall have no liability for data processing and reporting made by third party banks. • It acknowledges and agrees that where a payment has to be sent to a country's local payment network that does not support SWIFT gpi ("non gpi-compatible market infrastructure"), no final credit confirmation from the beneficiary bank may be available. • It acknowledges that not all third-party banks will send status updates to the gpi Tracker, therefore the latest/final status and details such as charges may not always be made available			

<DEFINITIONS AND INTERPRETATION for g4C Pay & Trace Service>

Term	Description
g4C Rulebook	"g4C Rulebook" means the SWIFT Rulebook for Optional Services "gpi for Corporates", as published on 27 November 2020 and as it may be further amended or revised from time to time, which stipulates the business rules and technical specifications for reporting gpi information to corporate customers, including in respect of the g4c Pay & Trace Service.
g4C Pay & Trace Service	"g4C Pay & Trace Service" means the Pay & Trace service set out in the g4c Rulebook that provides SWIFT corporate users with the ability to receive outgoing payment status tracking notifications in a standardised format.
gpi	"gpi" means the "global payment innovation" cross-border payments initiative provided by SWIFT which among others makes available end-to-end tracking of cross-border payments with the "gpi Tracker" application.
S.W.I.F.T	S.W.I.F.T. SCRL, a Belgian limited liability co-operative society of Avenue Adele 1, B-1310 La Hulpe, Belgium
UETR	"UETR" means the Unique end-to-end transaction reference containing a Universally Unique IDentifier (UUID) compliant with version 4 of standard RFC4122 and residing in field 121 of FIN messages or in the TransactionIdentification for API calls, with the format of this field being xxxxxxxx-xxxx-4xxx-yxxx-xxxxxxxxxxxx where x is any hexadecimal character (lower case only) and y is one of 8, 9, a, or b (as validated centrally by SWIFT). Please Note: UETR validation is based on SWIFT rules and may be subject to change. Please always refer to the most recent SWIFT gpi Rulebook for Optional Services.

SEPA Direct Debit Collections	SEPA Direct Debit Collections	SEPA DD collection requests sent in ISO20022 pain.008 format		pain.008.001.02		
		CORE		B2B		
	SEPA Direct Debit Collections - Cancellations / Reversal	SEPA DD cancellation/reversal requests sent in ISO20022 pain.007 format		pain.007.001.02		
	Creditor Identifier Code (CID)*		Require a new CID			
			Existing CID < please enter>			
	Maximum aggregate collection amount within 2-months period (applies to CORE Scheme only)**		Limit Amount			
	*The CID is a mandatory unique identifier by which your organisation can be identified as the Creditor in the SEPA zone. Please only enter the full code if you already hold a CID, if not SMBC BI will provide you with a CID based on this application. **This is the maximum aggregate collection amount for which you have agreed to submit CORE SEPA Direct Debit collections within a 2-month period. Such maximum aggregate collection amount has been determined by the Bank based on your current or anticipated direct debit credit entries. Any requested collections in excess of the limit may be held by the Bank, and the Bank will decide whether to process or refuse such transactions at its absolute discretion. The total amount that has already been processed in the ongoing period will be verified by the Bank. The verification date is the requested due date (i.e. not the submission date).					
	Terms and conditions relating to the SEPA Direct Debit Collections. By utilising the SEPA Direct Debit Collection services, the Customer agrees that the terms and conditions upon which SEPA Direct Debit Collection services will be provided shall be governed by the terms and conditions relating to the SEPA direct debit service(s) relating to B2B and/or CORE provided by the Bank to the Customer (the "SEPA DD T&Cs"), this Agreement and any other document which governs the contractual relationship between the Customer and the Bank. In the event of any conflict between the SEPA DD T&Cs and the terms and conditions set out in this Agreement or any other document which sets out terms and conditions which govern the contractual relationship between the Customer and the Bank, the SEPA DD T&Cs shall prevail in relation to the provision of the SEPA Direct Debit Collection services only. For charges relating to SEPA Direct Debit Collection file origination, please refer to our Tariff provided by your Relationship Manager.
